 **Based at Tanger Med 2**

 **Shift Work**

 **Transport Provided**

CAN-TMA25

Tanger Alliance, a major player in the port logistics sector, is expanding and looking for a skilled Maintenance Technician to support our high performing operations.

 Your Role:

You'll be part of the backbone that keeps our terminal running smoothly handling maintenance tasks, troubleshooting technical issues, and ensuring our equipment stays in top condition.

 What We're Looking For:

- ✓ Bac+2 in Electromechanics or a related technical field
- ✓ At least 2 years of hands-on experience in industrial maintenance
- ✓ ABB system experience is a strong advantage
- ✓ Tech-savvy with good communication skills
- ✓ Category B driver's license
- ✓ Flexibility to work in shifts

 Position based at Tanger Alliance

 Daily transport provided
