 **Based at Tanger Med 2**

 **Shift time**

 **Transport Provided**

CAN-TECH2026

Tanger Alliance, a major player in the port logistics sector, is expanding and looking for a skilled Maintenance Technician to support our high-performing operations.

 Your Role:

You will be part of the backbone that keeps our terminal running smoothly performing maintenance tasks, troubleshooting technical issues, and ensuring our equipment remains in top condition.

 What We're Looking For:

- ✓ Bac+2 in Electromechanics or a related technical field
- ✓ Minimum 3 years of experience in a container terminal
- ✓ Strong hands-on experience in equipment maintenance
- ✓ Experience with ABB systems is a strong advantage
- ✓ Tech-savvy with good communication skills
- ✓ Valid Category B driver's license
- ✓ Flexibility to work shifts

 Position based at Tanger Alliance

 Daily transport provided
