

# Junior Financial Controller

 **Based at Tanger Med 2**

 **Admin time**

 **Transport Provided**

## Con/Ges26

As part of the strengthening of our Finance Department, we are looking for a Junior Financial Controller.

### Profile & Requirements :

- Education: Master's degree (Bac+5) in Finance, Management Control, Audit, or equivalent.
- Experience: 2 to 3 years of experience in management control, ideally within the port, logistics, or industrial sector.
- Technical Skills: Strong proficiency in Excel; knowledge of Business Intelligence tools (Power BI, Tableau, etc.) is a plus.
- Soft Skills: Strong analytical mindset, attention to detail, good organizational skills, proactivity, and effective communication abilities.
- Languages: Good command of French and English.

### Main Responsabilités :

- Contribute to the preparation, monitoring, and analysis of the annual budget and periodic forecasts.
- Perform variance analysis between actuals and forecasts and propose corrective actions.
- Produce periodic financial and operational reports for management.
- Track key performance indicators (KPIs) related to port or logistics activities.
- Support continuous improvement initiatives and participate in the development of performance-monitoring tools.
- Ensure the reliability and consistency of financial and operational data.

### Availability :

- April-2026
